

Protégé Shooting Star Club Level Award

Protégé Shooting Star Award – 1/1/2021 – 12/31/2022

District 47 leaders are so proud of our members. Each year several join our Toastmaster family and step into leadership and enhance their personal development. There are some members who go over and beyond, who embrace the Toastmaster promise, strive for excellence, attend local and district events and who want to make a difference in our Toastmaster world. We want to recognize these exemplary members.
